

Timebubble Toys - Bringing an EXTRA Dimension to Your Event

Let us help you draw a crowd with our unique sights, sounds and activities

Public Event Planner '23

Helping you to access funding

We realise that to access different pockets of funding there are needs that you need to address:

Did You Know?

Similar to Forest Schools, Timebubble Toys helps children and adults in their development of:

'A Can-Do attitude'
(shared by the Founder of Timebubble Toys an award winning teacher of design)

'Self-esteem & Confidence through project completion & Problem Solving'
(Quick Build Kits)

'Gross & fine motor skills'
(Flintlocks & Quick Build Kits)

'Their knowledge of Wood as a Sustainable material & viable alternative to bulk plastic'

'Social/teamwork skills'
(Through group play with peers & strangers of different ages through: Tournament Table-top Jousting the rubber band flintlock range & Bubble Catching Challenges)

Through our 'TimeMachine Experience' & open discussion, we address the problem of **Climate Change** & What **we** can do to slow it.

Timebubble Toys - Bringing an EXTRA Dimension to Your Event

Who would have thought that **Time Machines** were fuelled by Bubbles?!

Thankfully we have **6 Bubble Gobblers** to **hunt** them But **WAIT?!...!**

Who brought back a weapon from the **FUTURE...isn't that a...**

V3 Bubble Belcher!?

BELL - THE TIMEBUBBLE MACHINE

An Interactive Time Machine offering a one seat cockpit training experience to the public. Immerse yourself in the possibility of time travel, made possible by 'Time Travel Industries'. Includes sound & light effects.

The Captain's Table

A workbench like no other!

This scaled down version of the 'The Libertatia'... captained by the pirate 'Black McCloud' has seating for 6, incorporates the jousting knights & more. Simply a sight to behold with accompanying nautical sound effects!

Table-Top
Self powered -
Tournament Riders
included as standard!

Optional Add Ons :

- Rubber Band Flintlock Shooting Range (6 pistols)
- Building Workshops

Timebubble Toys - Bringing an EXTRA Dimension to Your Event

Storytelling

Immerse Yourself In A World Yet To Happen
& Join A Small Band Of 'Hopefuls' Determined To Save It
The First Time Travellers

Cartoon Drawing & colouring Workshops

Timebubble Toys BIG TENT

Large enough to hold the
Captain's Table (for workshops),
storytelling audience
(for 2 day+ events)

Further Details

Set Up Requirements

Please be aware that the time machine alone requires 1.5 hours to assemble & again to disassemble. With additional set up tasks such as the BIG TENT, Captain's table & Pop-Up toy shop (if brought)...set up will take several hours, early access to the site will help! Please appreciate the ground on which it stands must be level.

Please note that for Options 3 to 6 that our Landrover will need to remain with the setup. We understand that during the event the vehicle cannot be moved.

Insurance & Credentials

Timebubble Toys Ltd. has Product & Public Liability Insurance through Markel Insurance.

Paul Gionis (Company Director) has over 25 years' teaching experience with both primary & secondary aged children and has an Enhanced Disclosure Certificate. Paul was awarded Secondary School Teacher of the Year in the Eastern Region in 2003 & short listed for Secondary School Teacher of the Year in England.

LESS PLASTIC - MORE BIODEGRADABLE WOOD

The toys are largely wooden kits, predominantly made from sustainable materials. They are designed to encourage creativity & curiosity. Wood is sourced from FSC approved suppliers. Compliance certification available on www.timebubbletoys.co.uk

CONTACT INFORMATION

Paul Gionis (Company Director) 07544770899

Email: timebubbletoys@gmail.com

Website/Online Shop: www.timebubbletoys.co.uk

Not suitable for children under three years.

WARNING: Choking hazard. Kits contains small detachable parts (wood, ball bearings, bolts). Small risk of splinters.

Need more clarity?

Why not tell us how much you'd like to spend & we'll work out various combinations for you?
